

Conesville Reported Burglaries and Potential Attempted Burglaries

November 16, 2021

Recently, several burglaries or potential attempted burglaries have been reported in Conesville centered primarily on unoccupied homes or structures. We are working with the Schoharie County Sheriff's Office to get additional patrols in Conesville. Especially after dark.

What can we do to help? In the interest of protecting each other it is the responsibility of all of us to immediately report potentially suspicious activity and vehicles to the Schoharie County Sheriffs Dispatch at 518-295-8114. Recording the vehicle make, model, and license and any other useful information is helpful but should only be done if safe to do so.

We all enjoy our rural trusting environment. However, for the time being, homeowners may want to consider ensuring that doors are locked when not at home and valuable equipment out in the open or in outbuildings be secured.

I will share any additional useful information as it becomes available.
